I'm a true artist. Seriously. I used to turn my school lunches into sculptures instead of eating, because I was more interested in art, which is the food of the soul! I still don't eat much, because an artist only needs inspiration to survive, and inspiration doesn't come from a full stomach, it comes from suffering! So, I work on suffering a lot.

I applied to a bunch of art schools, but I didn't get accepted. The great artists, like me, weren't trained in art schools, anyway! They got famous because they suffered and created while living in poverty! I bet all the sluts who got into art schools slept with the admissions board, anyway. So instead of going to art school, I'm being a starving artist in Brooklyn. I share a loft with six other artists, and we are so Bohemian! The loft is only supposed to have two people in it, but we are way too conceptual to let a thing like the LAW stop us. It's crowded, but it's utterly chic!

I share a room with this girl, Claudia, and she's an artist, too. She eats even LESS than me, and she takes these pills to help her focus, and she drinks lots of red wine! One day when I woke up Claudia was standing over my mattress, totally naked, all covered in paint. "Alexis," she said, "let's create!"

I was like, "Collaborative art is so avant-garde!" She gave me brushes and paint and we started throwing paint at the canvas, and after a while she told me to take off my clothes to let the expression flow, so I did, and suddenly I felt SO inspired! Then Claudia started throwing paint at me!

At first I was pissed cause it went in my hair, but then she started using her brushes and painting on my skin, and it felt so good, like the paint was cold but the rest of me was warm because, honestly, I was kind of turned on! I never thought of Claudia like that because I'm TOTALLY straight, but being so artistic with someone, and naked... One minute we were painting each other, and the next minute we were totally MAKING OUT! We were smooshing paint all over each other, and kissing and touching, and then, all of a sudden, her hand was down there on my pussycat! She put a finger inside me, and there was paint on her hand, and it was like I was getting fucked by ART!

As soon as I thought of that, I had a gigantic orgasm, and then, I didn't even care that Claudia had paint all over her pussy, I just started eating it like I never eat real food, cause I knew this wouldn't get me fat! I just ate and ate! After a while, she started to scream and the taste of her down there changed. I guess she came, cause she fell over and fell asleep.

I felt so inspired by our artistic lovemaking that I painted a beautiful flower that looked like Claudia's vajayjay! SO original and creative! I guess she didn't like it though because she moved out after I hung it up. That made me pretty sad, so I gave up making art, and now instead of being the artist, I'm the model! Pretty great, cause models make WAY more money, right? I'm still suffering, and DUH, I still don't eat!

A lot of my friends in high school — and I had a lot of friends — loved to go to house parties on the weekends and get crazy, but I never really liked it. Of course, out here in the middle of nowhere there aren't many other things to do, so I would go with my friends, but I was always the designated driver, so I'd just stand around and be bored.

This one night we were at a really wild party. There were lots of people there, from the high school kids to college kids and even some of their older relatives. Leslie's uncle was there! It was weird, cause he was like 40, but Leslie said he didn't go out to parties much, and he was nice and kind of cute in a dorky way.

Then, at 2:00 am the police showed up! Leslie's uncle came running toward me and yelled, "Get in my car!" I was like, "I'm the designated driver! I have to take Leslie and Katie home!" but he grabbed my hand, and in the chaos I got in his car with him.

He peeled out of the driveway in his sweet Nissan Altima and got us out of there so fast! My heart was pounding from all the excitement, and I guess his was, too, cause he parked off the highway at this rest area and jumped out of the car. I jumped out, too, and he came around the car and grabbed my hand and was like, "That was fuckin' hot!" And he started pressing up against me and touching my boobs. Normally I'd NEVER let somebody touch me like that, but I was still excited. I can't believe it, but I KISSED him and grabbed his crotch! I'm SO not a slutty girl like that! I guess it was adrenaline in my blood or something, cause all I wanted was to do wild, crazy stuff!

So did he! He turned me around, ripped my pants off, and grabbed my neck and pushed me down on the hot car hood with the cold night air blowing on my ass. Then, I felt something hard slide into my coochie-coo! He didn't even warn me or anything, but I was so excited I just was like, "Hell yeah!" He started thrusting in and out of me and grunting. It was painful to be pushed down like that, but it felt sooooo good to have his stiff cock going in and out of my coochie so fast and hard! It was so... like... raw! I felt myself getting wetter and wetter until it was like there were stars bursting in my eyes... Now that I think about it, I might have been passing out, because he was pressing on my windpipe with his thumb, but it felt soooooo good! He got all tense and stopped moving for a second.

Then, he let go of me and stepped away, and I could feel the wind on my ass. I stood up, but then I felt something dribbling out of my coochie! OH MY GOD! He left his sperm in me! I was kind of still on adrenaline, though, so I just pulled up my pants and got in the car. He got back in, too, and was quiet the whole way to my house.

I never saw Leslie's uncle after that. I heard he went to jail for something about alcohol and minors, but I'm glad I had such a fun first sex experience!

I was working at a grocery store for a while. I figured since I'm so cute I'd be at the register, but they told me I had to start in produce! So, I started stocking produce and taking inventory and stuff, mostly in the back of the store. I worked really hard, because I wanted to get to the registers, doing the glamorous work! Most of the other produce people were, totally Mexican dudes! I'm a quarter Mexican myself. I was really good at stuff, so I became the leader, but the guys were always hitting on me! Especially when we'd be dealing with cucumbers or zucchinis or anything shaped... you know... like a cock!

At first, it was annoying because I wanted to be professional, but they'd talk in Spanish, which I barely understand, and make these gestures with the vegetables, like they were sucking on them or humping me. After a while, I stopped caring, though, because the boss never came back to the stock room and saw what we were doing, so I figured we might as well have fun!

One day, we were stocking yellow squash — you know, those squash that look like a cock and balls? The guys were pretending to suck on them and pointing at me, and I thought, WTF? I took one of the squash and put it in my mouth and started licking it, all sexy. They went silent and just stared at me! I started sucking on it and putting it way back in my throat and getting spit all over it, and then I rubbed it down across my boobs, and my crotch. The guys were totally amazed at how slutty I was being with a SQUASH! Of course they all had boners!

I thought I'd just play a joke on them and see what they did, but they were all really turned on now, and there were like five of them. Then one of them, Jose I think his name was... maybe they were all named Jose... I don't remember. Anyway, Jose walks up and unzips his fly and starts jerking off! I didn't know if he was gonna' want me to have sex with him, so I kept sucking on the squash to show him I was busy. Then, this other guy walks up... maybe his name was Jose too, or Pedro? I don't know, but he came up and started stroking his cock, too, and suddenly they were all standing around me in a circle watching me suck on this squash while they stroked their dicks! It was kind of scary, but also really hot, like all these guys got so turned on by me that they had to jerk off right then and there! It made me feel soooo sexy!

After a few minutes, I got so turned on watching all those cocks that I started to think I should just get naked and let them gangbang me, but then Juan grabbed my shoulder let his cum out, all over my face! One after another, all the guys came on my face until it was totally covered! I wiped most of it off and swallowed what was in my mouth, and put the squash in the trash, and that was it. The guys put their cocks away and we went back to work like nothing ever happened.

A few days later I got promoted to the register, but pretty soon, I quit. I figured if I could turn those guys on with a SQUASH, I should be able to make tons of money as a model in TIGHT! So, here I am! I hope you guys feel like jerking off on me, too!

I started working as soon as I graduated high school as the cashier at a gas station near my house, and I get

all KINDS of learning experiences there! There are the regulars who come in for gas and cigarettes, and the old guys who just buy beer, but the ones who crack me up are the guys who run in late at night and buy condoms! You wouldn't BELIEVE how many of those guys there are! I'm not much of a sex person — like, I've never done much with boys — but I can tell which ones are good at it. And they are NOT these geeky, pimply kids who are so embarrassed to buy rubbers they can't look me in the face!

One night this guy came in and went straight to the condom section. He was SO cute! Dark hair and blue eyes, and tall with muscles, like he was an athlete. Instead of the regular sized ones or whatever, he got Magnums! You know, the ones for guys with BIG dicks! I didn't say anything, because I'm a professional, but he must have seen the look on my face, because when I handed him his change, he grabbed my wrist.

He said, "Look, I'm gonna' use these tonight but... um... you're really cute..." — and he looked at my nametag — "Kate. And it's, you know, been a while. I'm worried I might not... like... last very long when I get to this girl's house. If I don't... um... take care of it now. Will you help me out?"

I didn't have any clue what he was talking about, but he was so cute I just said yes! I'm such a sucker for cute guys!

So, we went into the bathroom together! He locked the door and said, "Okay, show me your feet." I'm like, "What?" He's like, "Take off your shoes and show me your feet!" So I did, and he started rubbing his cock through his pants! Weird, right? I guess he got tired of my toes, because then he pulled his pants down, and... wow, he DEFINITELY needed those Magnums! His schlong was huuuuuge!

He goes, "Put your mouth on it!" I was like, "I don't know if it'll fit!" He said, "Just lick it then." I didn't want to get on my knees, because I work in that store and I KNOW how disgusting those bathroom floors are! His cock was so huge! I wanted to get near it, so I took off my shirt and used it as a floor mat and I got on my knees, and I tried to fit my mouth on his cock! I was right, it didn't fit! I couldn't even get the head of it in my mouth, because it was so WIDE! I wrapped both hands around it, and I licked the tip. I never had done this before, I SWEAR, but I guess I did a good job, because it only took like fifteen SECONDS and ALL this white stuff came shooting out all over my face! It went in my mouth and on my nose, and it dribbled down my chin! There was so much stuff on me it was dripping down my neck and onto my boobs! I thought I might get shot in the face working in this store some day, but not with a cock!

He was so nice, he grabbed some paper towels from the dispenser and cleaned me up, and pulled me up to my feet. "Thanks, babe," he said, and kissed me on the cheek. "This will be way better for my date!" And he walked out!

I felt trashy after he left, like I couldn't BELIEVE what happened, but nobody knew about it. We were only in there for a few minutes, so nobody caught us! Now, when I think about it, it gets me really hot So, hey, guys, next time you stop by a gas station store and there's a cute girl behind the counter... Ask to see her feet!

I used to always wear black, and lots of eyeliner, and dark lipstick.

I never went out in the sun, and I wrote sad, dark poetry. I guess I was Goth. I don't even know. I just thought of myself as a poet, you know, really tortured and sad. Because how can you write poetry unless you hate life, right?

So in school, instead of paying attention, I would write poems about pain and love and torture, and most of my teachers hated me, but Mr. Shelley, he loved my poetry! He was the English teacher, and short and fat and a little bald on top, but he said he'd never met a student with my sensitive soul. He used to invite me to his classroom after school and we'd read Lovecraft and Byron, and talk about pain and nothingness.

One night we were there late, reading some Poe, and I was so overcome with the sadness of life, I started crying! I was like, "The words are so beautiful!"

Mr. Shelley put his arm around my shoulder and was like, "The words aren't nearly as beautiful as you, Jacey." He KISSED me! I was like, whoa! I mean, Mr. Shelley?! Then I realized that my eye makeup was probably running down my face and I probably looked TERRIBLE, and if he still wanted to kiss me, he must be a pretty nice guy, so I kissed him back. A dark love affair was starting!

I was sitting on a desk, and Mr. Shelley moved so he was facing me, kissing me gently but with so much passion! Then, he got on his knees in front of the desk and lifted up my skirt — I was wearing a black schoolgirl skirt with these giant boots but no panties — and he put his face down between my legs! It was weird, because I was crying, but now his big tongue felt so good licking up and down my vagina that I was crying with happiness! I felt like the sadness I'd been feeling with the poetry was being licked away!

Then, he stood up and moved his tie so it was hanging back over his shoulder and he opened up his grey teacher pants and took out this GIANT dick! I was like blown away that MR. Shelley could have such a HUGE cock! I never expected it! He said, "This might hurt, Jacey, but it will help you understand pain..." and he shoved it up inside of me all at once! It DID hurt, but only at first because I was all gooey down there from his tongue. He was pretty gentle with his big penis, and after a minute or two, it felt so good I started crying AGAIN because the pleasure was so intense. After a few minutes, all my pain and pleasure and sadness and poetry kind of crashed together and I was flying away!

Then, Mr. Shelley took his big boner out of me and went over and jerked off into the trashcan! It was so weird, and it totally broke the spell and snapped me back to reality. I pulled my skirt down and walked out. After that episode, I decided being a Goth poet wasn't my thing anymore. I quit his class because I don't think he'd like to know that I don't like poetry or black eyeliner anymore — instead I like being a young, cute girl and showing off my private parts for guys like you in magazines!

I'm really not into porn.

It all seems so fake and over-dramatized to me, but for some strange reason, I've been getting into girly magazines lately. I don't know what it is. A few weeks ago I was in this magazine store and I saw this cute looking couple kind of giggling together and looking at these mags. So, after they left, I scooted on over and took a look for myself. I picked up a copy of TIGHT and what I saw didn't make me laugh at all! It's strange, because I'm like totally straight, but somehow looking at the pics of all those pretty, sexy chicks really tripped some switches inside my head. I just loved the way their bodies looked, each of them different and somehow exotic.

I guess I'm just not really used to looking at other girls' bodies, but it was curious how each was different than mine in some way. There were blondes, brunettes, redheads. Girls with big breasts and small ones. Girls with serious back, and girls who were skinny and petite. It was kind of yummy! It sort of made me wonder what it might be like to make love with another girl. I mean, it can't be as hot as having a guy inside of you, or could it be? I probably should give it a try while I'm still young and fancy-free. I've seen the way some chickies look at me, so I think there will probably be plenty of opportunities, but until the right one comes along, I think I'll just keep checking out these mags. Some of them are pretty hot, and I'll bet that one of them, late at night in my warm little bed, along with my favorite vibrator, is going to do the trick!

You know what they say: "Once you go black..."

I thought that was some sort of urban myth, that is, until I met Lucius. I had just started my senior year in high school when a friend set us up on a blind date. I have to admit when I answered the door and saw him standing there I was shocked for a second. I'm not sure why, I mean I'm totally cool with everyone, and I grew up in a really hip family too, but I had never dated a black guy before, so it was a bit of a surprise.

Plus, in my Catholic high school, it was such a homogenized vanilla crowd. A total fucking bore. I was delighted to be going out with someone who seemed exotic and cool to me. Lucius and I really hit it off. He was really interesting and we were into a lot of the same things. It didn't really surprise me that we did it on the second date. We were so totally into each other. His parents were away for the weekend, and we had the whole house to ourselves.

Lucius cooked for me. Is there anything hotter than a guy that cooks? By the time we finished his totally awesome dinner, I was thoroughly primed. I'm usually pretty conservative about sleeping with guys, but he was a total dreamboat. He gave new meaning to the phrase "tall dark and handsome."

Anyway, I let him lure me into his bedroom, and he lowered the lights and started laying some serious moves on me. Luther Vandross was softly playing through his speakers, and we sort of fell down on the bed and started making out. He had this awesome kissing style. A few minutes of that and I was totally stoked. I was so fucking horny that I was feeling a bit out of control. My lips were locked on his as I reached down and felt him through his jeans. Holy shit! He was like SUPER-SIZED. He slipped out of his jeans and my eyes nearly popped out of my head. It's really true. These dudes really ARE bigger! The sex was totally awesome, and I came like a thousand times. Yummmmy! I'm still seeing Lucius but we don't get together as often as I like, so I have to use this vibrator on myself to keep my pussy opened up to take his giant blacksnake, until we see each other again.

It's totally cool having sandy-colored hair.

I guess it's nice to be red or light blonde, or dark brunette too, but I think I've always gotten more attention because of my naturally ginger-toned locks. I don't even put highlights in. Those blonde streaks are natural.

When I was a kid, all my friends' parents would constantly ooh and ahh about it when they saw me, and it made me feel kinda' special, but now that I've just turned 19, the whole hair thing has taken on a different sort of vibe. Guys seem to love my hair. I'm not really sure why they think it's so cool, but I just roll with it. It's like I get asked out every freaking day!

One of my girlfriends told me that it's because guys think girls with good hair are better in bed. That's just so totally random! I don't figure I'm any different than any other girl, but I have noticed that each of the three guys I've made love with has been REAL curious to see my hair "down below". That makes me smile every time because I don't have any. It's like they wanna see if I have blonde highlights down there too.

I'm sort of fair skinned too, and that's cool except that I have to be extra careful when I go out in the sun. One time last summer I went on a camping trip to Cape Cod with my boyfriend and we found this deserted beach. There was like nobody there, so we stripped down and smooshed on the beach for hours. The next day, my butt was as red and sunburned as a beet! I was so bummed because we had to stay in the tent for a few days afterwards, but Joe thought it was cool. I didn't think it was that funny, but guys are so weird — they get turned on by EVERYTHING! We must have screwed 20 times in that little tent. Yeah, the hair is totally working for me.

A few weeks ago I came down with this terrible sore throat.

At first, it seemed like just an ordinary cold, but it lasted for days and my folks got worried. I tried to tell them that it was no big deal, but I'm still only 18 and until I leave the house and I guess I have to follow their lead. They called our family doctor, but he was away on vacation, so his office recommended another physician nearby. My mom made an appointment and then drove me there.

We were waiting in the waiting room when all of a sudden, this guy walks out, looks around, and then calls my name. I couldn't take my eyes off of him. He was SO totally hot! I followed him into his office and he introduced himself.

"I'm Doctor Savignon, but you can call me Davide."

Wow — what a smooth rap! This guy was totally awesome looking and he knew it!

I barely stuttered my name to him. I think he thought it was the sore throat, but I was just totally speechless. He glanced at my chart, then back at me. The way he looked at me was intense. He had these deep blue eyes, and they were drilling a hole through me. This guy was such a mover!

He asked me to sit down, and then he said he wanted to look at my throat. As I opened my mouth, he peered into it with this light. I swear I think he was into being that close to me. My heart was beating. I felt like I was like a kid on Christmas morning. He said he thought it was just a virus but wanted to take a culture just in case. He pulled out this swab and gently inserted it into my mouth and rubbed it around the inside of my mouth. It's like everything that he did was so erotic!

There was this vibe between us. The way he was looking at me! Anyway, he checked me out and then said he would call with a report. He shook my hand before I left. Just touching him was sort of cool. I guess I was kind of infatuated with him. I've never been with an older guy. I hope when he calls with the results I'm around to pick up the phone. I feel silly telling this story, but he was hot! I'm totally thinking about Doctor Savignon while I diddle myself.

An adult phone sex advertisement featuring a woman with long brown hair, wearing a black choker and pink lingerie, sitting on a pink background with butterflies. The main text is 'It's nice & wet' at the top left and 'cock-fill me please' at the top right. In the center, large, stylized letters spell out '1-800 TEEN WET'. Each letter has a number on it: '1' (top left), '8' (left), '3' (middle left), '3' (middle), '6' (bottom middle), '9' (bottom), '3' (middle right), and '8' (right). The woman is wearing black high-heeled boots. The bottom left corner says 'ADULTS ONLY' and the bottom right corner says 'All girls are 18+'. A black and white photograph of a blonde woman sitting on a wooden floor, looking over her shoulder at the camera. She is wearing a dark, low-cut top. The image is framed by a graphic border with text overlays.
